Wednesday, December 10, 1986

Christmas tree decorations of all designs and colour were gaily hung on the boughs of the community Christmas tree in Kinmount Friday afternoon. Students from the local school continued a Kinmount tradition by adding a festive touch to the community's main street. After the decorating bee and a brief visit with Santa the children enjoyed a cup of hot chocolate before heading back to classes.

Council will pay survey costs

A dispute over payment for a survey between Carnarvon resident Kari Siirala and Anson, Hindon and Minden council has at last been resolved.

At the December 9 meeting, it was agreed that the municipality would foot the bill for the survey of a road allowance running through Siirala's property on the border of Minden and Stanhope townships.

Council agreed to pay the bill because Siirala ordered the survey as part of an agreement with the then council to purchase the road allowance, an agreement which the present council overturned.

Earlier this year Siirala received a letter from the municipality saying that council didn't believe the municipality should pay the entire cost of the survey. But at the meeting Tuesday, council agreed to Siirala's request.

Siirala said he had been through all the correspondence with the municipality over the sale and that he was confident he had

been told by the then council the deal would go through. However, when the survey was completed, the council had changed. The new council - the one we have now - decided against the sale.

Council explained to

Siirala at the meeting that they voted against the sale because the allowance he wanted runs along the boundary of the municipality. A municipality should have control of its boundaries, Siirala was told.

"I'm not sure I disagree

with you there, but my complaint is with the way the proceedings went," replied Siirala.

Reeve Sinc Nesbitt said he thought Siirala should be reimbursed. The rest of council agreed.

Tourism ministry backs trail clearing effort

The details of the Ministry of Tourism and Recreation grant to repair the damage to Haliburton County snowmobile trails by last summer's tornado have finally been worked out.

"It's one time only funding because of the extraordinary circumstances of the situation," said Guy Skipworth, aid to Minister of Tourism and Recreation John Eakins.

The ministry is providing

\$21,500 to clear the trails. Most of the damage occurred along a seven kilometre stretch of the Peterson Trail, the main east-west snowmobile route through the county.

Bjorn Neilson, a ministry consultant who worked on the grant, said the money came from the Wintario lottery funds. The lottery is run by the ministry.

"The case of the Haliburton County snowmobile trails is extraordinary."

Neilson explained. "The tornado itself was an act of God and therefore unforeseen. And because the snowmobile trails are crucial to the winter economy of the county - snowmobilers contribute about \$6 - million a year to the region in revenue - it was decided that the funding had to go through."

He added that though small in length, the damaged part of the trail network was of great importance as a main artery.

Organization will back Kanawa museum drive

An organization to increase public interest and involvement in the Kanawa International Canoe Museum collection has been formed. The group, known as the Friends of Kanawa, was created at a meeting held Sunday afternoon at Wig-A-Mog Inn.

The meeting was called to bring members of the Haliburton County Historical Society up to date on the progress of talks between the organization and the Kanawa Museum. The organization was created over two years ago to help find a permanent location

for the world-class collection of canoes and other watercraft in Haliburton County. At that time concern had been expressed for the security of the collection in the present museum on Peach Lake in Stanhope Township. Concern was also increased when other communities in the province began vying for the collection. So far the strongest bid has come from Port Hope. At one time it was proposed

that the canoe collection should be split between the site in Port Hope and a proposed museum to be built in Glebe Park in Haliburton Village.

While there has been ongoing discussions since that time, little has happened and the collection either remains in storage or at the Stanhope Township location.

Recently the provincial government has indicated it is willing to participate in a

feasibility study into the Glebe Park location. With the promise of at least 75% funding shared by the ministries of Citizenship and Culture and Tourism and Recreation, local interest once again was stirred.

The meeting Sunday attracted a small number. They heard from Ross Carver, administrator of the

Haliburton Highlands Museum in Haliburton who outlined the efforts of the county's historical society over the past two years to gain access to the collection.

After hearing of the suggestion from the provin-

cial government to provide 75% of the funding for a study, those in attendance agreed to form a "Friends of Kanawa" committee to help raise the remaining 25%. Art Ward and John Teljeur, owners of resorts on Lake Kashagawigamog and Haliburton resident John Beachli, were selected to form a steering committee to get the group started.

According to Art Ward the group will attempt to attract members as an indication to the province of local interest in the project. Membership will be \$10 for individuals and \$25 for businesses.

He said the cost of the study has been estimated at \$50,000 making the group's share \$12,500.

Ward said the study

(more on page 3)

Reeve on the mend

Bob McCausland, the Gooderham resident who received a new heart ten days ago, is in good condition and progressing well, according to Myra Stoughton, a member of the man's family.

She reported Tuesday afternoon that the Reeve of Glamorgan Township visited with members of his family this past weekend. "He was up and walking about," she reported. "In good spirits, good colour and not connected to any support systems, he walked with the family down to the sitting room where he visited for half an hour." The heart he received in the operation early Saturday morning continues to beat on its own.

The man became a candidate for a transplant operation after suffering two serious heart attacks. He had been placed on a list of potential recipients and on November 29, he was rushed to a Toronto hospital where the organ matching his requirements was implanted.

Minden B.I.A. presents

CHRISTMAS

in the village

a celebration
of the Christmas tradition
in Minden

Events to Watch for

December 12: Community Carol Sing at the tree next to the Canadian Imperial Bank of Commerce featuring Haliburton Highlands Guild of Fine Arts Choral Society. 7:15 p.m.
- Christmas Cookie Exchange at CHACE Place. Bring 12 dozen of your favourite cookies and exchange them for a variety this Christmas - 1 p.m.

December 13: Free children's movie party at the Beaver Theatre featuring Care Bears I and Care Bears II. Sponsored by the Rotary Club of Minden. Free admission and free treats from Santa Claus.

December 14: Service of Lessons and Carols, St. Paul's Anglican Church, North Water Street, Minden. 7:30 p.m. Refreshments will be served following the service.

- White Gift Sunday at Minden United Church on Newcastle Street. Pot Luck supper at 6 p.m. Service at 7 p.m. including the children's pageant.

December 15: Service of Lessons and Carols at St. Peter's Anglican Church, Maple Lake, 7:30 p.m. - refreshments.

December 16: Christmas Bingo sponsored by Rotary Club at the Community Centre. Prizes, surprises, lots of fun. Eyes down 7:30 p.m.

December 17: Christmas meeting of Minden Women's Institute 2 p.m. at the United Church.

- CHACE Place Christmas Party. Santa will visit so please bring a small wrapped gift for your child. 10:30 a.m. - 1 p.m. Pot luck lunch and carol sing.

COMING UP

- The Christmas Sale of Arts and Crafts continues at the Agnes Jamieson Gallery until December 20.

- FREE Babysitting every Friday night - 6 p.m. to 9 p.m. at CHACE Place in downtown Minden.

- FREE horsedrawn sleigh rides - Saturdays 10 a.m. to 12 noon, 1 p.m. to 3 p.m.

One Little Candle

Be a part of Christmas in the Village by placing a candle in your window. Single electric candles are

still available for \$1.50 at Stedmans, Minden Home Hardware and Minden I.D.A.

One candle will bring light to your life ... many candles will light up the world.

'TIS THE SEASON

Melissa Stephens directs the Zion United Church choir and some young volunteers during the carol sing Friday at the Community Christmas tree in Minden. The choir entertained and led a hearty bunch of carollers in traditional songs of the season. This Friday evening, members of the Haliburton Highlands Guild of Fine Arts Choral Society will be featured beginning at 7:15 p.m.

Dashing through the snow...

Saturday youngsters and adults will be invited to experience an old time Christmas tradition with FREE horse drawn sleigh rides. The sleigh will leave from the village green,

across from Minden Home All on Peck Street between 10 a.m. and 12 noon and 1 p.m. and 3 p.m., weather permitting.

Deck the Boughs...

The community Christmas tree has been erected in the Village Green next to the Canadian Imperial Bank of Commerce. (Special thanks to the Anson, Hindon and Minden Roads crew for their assistance in erecting the tree). The tree has been decked out with lights and is a beautiful sight when seen at night. The lower branches of the tree have been purposely left undecorated so that members of the community can help with the trimming. Children, classes, church groups, seniors, everyone is invited to hang a decoration on the tree. Be a part of Christmas in the Village and help to brighten the downtown with your own Christmas decoration.

The Christmas tradition

One of the highlights of the Christmas season a number of years ago in Minden was the annual theatre party sponsored by the Rotary Club of the community. This Saturday, that tradition returns to the Beaver Theatre.

The Rotary Club of Minden is happy to present a special program of free movies for children (of all ages) starting at 1 p.m. Two full length movies will be shown, featuring those loveable characters, the Care Bears.

Following the movies, Santa Claus will be in attendance to greet the children and hand out special treats.

There is no charge for this special afternoon. The first movie will start at 1 p.m. The entire afternoon should be over around 4 p.m.

Sing out

The second in a series of Minden Christmas in the Village Community Carol sings will take place Friday evening, December 12. The general public is invited to join the members of the Haliburton Guild of Fine Arts Choir as they lead us in traditional hymns of the season. The carol sing begins at 7:15 p.m. Free hot chocolate will be available for all participants with the Minden Scouts serving. Bring the whole family and be a part of Christmas in the Village.

Next Friday, December 19, the choir of St. Paul's Anglican Church will be featured.

The winning foursome representing Moynes Furniture from the left, David Camelon, Bill Dillon, skip, Donna Dillon and Anita Beaver.

Moynes foursome takes annual Merchant's 'spiel

The ice was keen and so was the curling Sunday during the third annual Minden Merchants Bonspiel held at the community's Curling Club.

With the absence of the championship Dollo's team, the title was up for grabs. The team from Moynes Furniture were the ones to take it with two convincing wins during the day. Taking

The Times trophy, emblematic of business curling supremacy in Minden, were skip Bill Dillon, vice Donna Dillon, second Dave Camelon and lead Anita Beaver.

Second place in the competition went to the Peter Franzen team representing Franzen Masonry. Other members of the team included vice Josie Maybee, second Mike Maybee and lead Mary Jane Irwin.

The other Franzen Masonry team was close at hand in third place. This team was skipped by Frank Franzen with Diane Warnes vice, Harold Cowen second and Pauline Franzen, lead.

The other teams finished in the following order: Toronto-Dominion Bank, Bill Roodenburg Real Estate, The Wicker Works, Canadian Imperial Bank of Commerce, Valu-mart, The Times and Floyd Hall Insurance.

Following the two games, the teams enjoyed a supper and social hour.

Casey appointed to Housing board

Mr. Earl Casey of Haliburton has been appointed to the Victoria-Haliburton Housing Authority, Alvin Curling, Minister of Housing announced.

Mr. Casey, who is retired, will serve as a county representative on the eight member authority that manages Ontario Housing Corporation's 465 assisted

housing units in Bobcaygeon, Fenelon Falls, Haliburton, Lindsay, Minden and Omemece.

The federal, provincial and municipal governments nominate individuals for appointment to the housing authorities by provincial orders-in-council. The

province appoints the housing authority chairman.

The day-to-day management of OHC's 84,000 housing units is carried out by local housing authorities, although the primary responsibility for assisted housing remains with OHC.

Mr. Curling said: "By volunteering their time to serve on the local housing authority, private citizens such as Mr. Casey are helping to ensure that Ontario's assisted housing program is sensitive and can respond to the needs of the many communities it serves."

The Victoria-Haliburton Housing Authority manages 365 senior citizens housing units and 100 units for low income families. The authority also provides housing for physically, developmentally and psychiatrically handicapped persons who are capable of living on their own.

Kanawa friends

(from page 1)

would examine all aspects of the museum based on locating it in the Glebe Park site selected over two years ago. Included in the study would be the potential for generating revenue, the size and possible layout of the museum, possible visitation, operating costs, potential for attracting interest from outside sources and other aspects. The spokesman said he would like to see the study underway by this spring. "The provincial

government has not set any deadlines," he commented, "but time is of the essence, for a number of reasons."

The resort owner said he expected the Friends of Kanawa to meet on a quarterly basis with the first meeting scheduled for the end of January. At that meeting one of the items on the agenda will likely be the selection of an executive. In the meantime, Ward said, the steering committee will continue to lay the groundwork for the organization.

Acid rain reports

The following report on precipitation at the Ministry of Environment acid rain testing station at Dorset was compiled by Environment Canada. There were four precipitation events during the past week.

- December 2, 21 cm of mixed rain and snow with a pH of 4.8 from the Atlantic Ocean, New Jersey, New York and eastern Ontario.

- December 3 - 8 cm of snow with a pH of 4.7 from Wisconsin, Michigan and central Ontario.

- December 4 - 5 cm of snow with pH of 4.8 from north western Ontario, Lakes Superior and Huron.

- December 6, 9 cm snow, pH 4.4 from northern Illinois, Michigan and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Chopping postal service

The comments of Lloyd Johnson, president of the Postmasters and Assistants Association, appearing on page 5, deserve the attention of residents throughout the county. If indeed it is the plan of Canada Post Corporation, endorsed by the Federal government, to eliminate rural post offices and turn others over to private enterprise, then those who recognize the real value of these institutions should speak out before it is too late.

Pioneers recognized the importance of a post office. It gave a community a sense of stability and permanence. When a settlement received a post office, no matter how small, it provided a vital link to the world beyond. Even today, with increasingly sophisticated forms of "instantaneous" communication at our fingertips, the post office is still the most important and used method of communication.

In the smaller places, the post office is literally the heart of the community. If you don't believe us, spend a morning in the lobby of the Minden or Haliburton post offices and observe the person-to-person contacts made by individuals picking up their mail.

The smaller settlements in the county are served by post offices located in the local "general stores." Remove the postal service from these places of business and its likely they will eventually close as well. Not only will residents lose their postal service, but also the retail outlet, probably the only one serving the community.

While we can appreciate the desire of the Corporation and the government to reduce the postal deficit, we think they should examine other areas such as the salaries and benefits, high, compared to private enterprise, and make cuts or roll backs there rather than placing rural post offices on the chopping block.

Natural geometry

Two weeks late

- by Arthur Black -

I'd like to make this the Chester Frowde Memorial Column if it's all the same to you folks out there -- for reasons I will get to later. For now, suffice to say that Chester is -- was -- a Canadian newspaperman who, in his own curious way, deserves a niche up there alongside the most exalted of the genre -- the George Browns, the Joseph Howes, the Bertons, the Lynches, yea, even the Fotheringhams.

Indeed, some of we lesser ink-stained wretches might well look upon Chester Frowde as the patron saint of our journalistic careers. V.S. Pritchett, for instance. Before he became an internationally famous author, Mister Pritchett spent some years as a reporter for *The Christian Science Monitor*.

Not ... terribly distinguished years, however. As a reporter, Mr. Pritchett was a bit of a bust. He once had an exclusive scoop about the sudden resignation of a Cabinet Minister -- but decided not to file a story on it. "Couldn't see how it mattered" he explained. In 1922, his paper sent him to cover a war raging in the mountains of Spanish Morocco. Pritchett went, but stayed as far away from the fighting as possible, holing up in a hotel in downtown Tangier for the duration of hostilities. "I did hear quite a lot of gunfire in the evenings" Pritchett recalled wistfully, "and it was a lovely country."

I know a Canadian reporter who might have a special pigeonhole in his heart for Chester Frowde. A few years ago this reporter was dispatched to cover a forest fire raging near the town of Armstrong, in northern Ontario. Our hero departed for the north country with much Hemingwayesque bravado -- not to mention lumberjack boots,

a Swiss Army knife on his belt, even one of those Aussie campaign hats with the snap-up side brims.

His envious colleagues were somewhat surprised to receive his first on-the-spot report the next day not from the smoke-shrouded fire zone but from Winnipeg, several hundred miles to the west. Turned out that forest fires are a little more frightening up close than our intrepid reporter had realized. Showing Pritchett-like prudence, he had had himself evacuated along with a plane load of women and children. Some observers estimated that he remained at the front for as long as twenty minutes.

Do I sound like I'm smirking? I'm not. I too, have had my moment of humiliation in the newspaper business. It happened many years ago, when I turned in my very first newspaper article as a grass-green cub reporter for a weekly newspaper much like this one.

First articles are terribly important. This one carried my name on it. I knew that my friends would read it. My relatives. That gorgeous blonde in 12B ... even creepy old Mr. Richardson who ran the groceries and told anyone who would listen that I would never amount to much.

The topic I chose to immortalize in my very first newspaper piece was the only hotel in town -- specifically, the beverage room thereof. Said watering hole was a veritable symphony of Country and Western memorabilia. There were posters of Porter Wagoner and Tammy Wynette in concert. There were slogans like "HOWDY PODNUH!" and "HOW ARE Y'ALL,

(more on page 5)

letters

Editor's note: The following is a copy of a letter sent to Anson, Hindon and Minden Reeve Sinc Nesbitt and submitted for publication by the author.

Dear Mr. Nesbitt:

I understand due to increased rent the Fitness Centre is having to close.

I have enjoyed this facility since June and I am concerned that something has not been done to relocate this much needed and enjoyed program somewhere else in the area.

While I am in Minden I usually do my shopping at various stores in town and would think the other ladies who come from areas outside of Minden would do the same.

Therefore, the proprietors in the area benefit from extra business, thanks to the fitness classes.

With the government's involvement in the "PARTICIPATION PROGRAM" I would think there would be more concern in regards to retaining the services of such qualified and conscientious personnel as Patti Prentice and Sharon Poldas.

I am sure all the members of this program would appreciate any assistance you may offer to maintain this program.

Thank you.

Mrs. D. Trimble

Kirkfield, Ont.

Editor:

Hiking the Haliburton Highlands! That sounds equally as venturesome as hiking the Rockies, hiking the English Downs, or hiking Sorrento and Rome! Our tourist industry could benefit from the growing popularity of walking holidays. But we need well defined trails linking the lakes, inns, and lodges.

Hiking the Haliburton Highlands could be a healthful and remunerative reality!

M. J. Charlton,
Canning Lake.

Editor's note: The following is a copy of a letter sent to Anson, Hindon and Minden Arena and Recreation Manager Brian Sisson, and submitted for publication by the author.

Dear Mr. Sisson:

I am writing to you with regards to the closing of the Fitness Centre operated by Sharon Poldas and Patti Prentice.

My concern is that this program is having to close due to increased rents and lack of future facilities not

(more on page 5)

Rural postal service in jeopardy, says Johnson

Is rural post office service in jeopardy in this country? The president of the Canadian Postmasters and Assistants Association, Lloyd Johnson seems to think so. Mr. Johnson, a Minden area resident and former deputy Postmaster in Minden and Postmaster in Haliburton Village, has expressed his concern in a press release issued by the association. The organization he heads represents postmasters and assistants in rural post offices throughout the country.

According to the press release, the announcement of a possible postal rate increase deflected attention from other issues, particularly proposed policy for the future of rural post offices. The following is the text of that press release:

The Corporate Plan for Canada Post for the period 1986 to 1991 was approved by the Governor-in-Council on October 17, 1986. The outline of this plan was

announced in the House of Commons on November 5. While the proposed increase in postal rates received some opposition, which forced the minister responsible for the

Post Office, Michel Cote, to send it to a committee for study, some of the more insidious parts of the plan were not made public at that time. They came to light only when the president of Canada Post, Donald Lander, appeared before the committee on November 20.

He distributed several appendices to the corporate plan in support of the increase in postal rates. Even then, the import of some of these plans went unnoticed, by many, because of the attention being focused on the rate increases.

The most devastating is one entitled "Operational Guidelines to be Considered for Rural Post Office Amalgamations". This details the destruction of the postal service in rural Canada as we know it today. When completed, there is unlikely to be a corporation-owned post office left in operation to serve the people of Canada who live outside the major centres of population.

To quote from Mr. Lander's plan: "There are 5,221 post offices in rural Canada. Approximately 2,000 of these are in communities with a population of more than 1,000. Another 1,500 serve more than 75 points of call each. These 3,500 will be turned over to the private sector, probably through franchizing to operate." Of the remaining 1,700, "those that are within five miles of each other will be amalgamated and a stamp agency established." "Landscaped mini park supermailbox sites will be provided for delivery."

Thus, all 5,000 post offices will be disposed of.

There are approximately 3,000 full-time and 3,500 part-time employees who work in the larger offices which are located in buildings owned or leased by Canada Post. Another 3,000 employees are located in privately-owned premises, such as grocery stores, variety stores or the Postmasters' homes. If Canada Post is allowed to proceed with its plan, few, if any, of these 9,500 people will remain as employees of the Post Office. The Corporation's Plan indicates that, by 1991, it will have reduced its work-force by 8,700 man-years. It is certainly an easy way to

reduce the deficit - lay off the employees and transfer the responsibility to someone else.

However, in addition to this callous treatment of employees who have given as many as 35 years of faithful service, the Corporation is creating a second class type of service for its rural patrons. But, they are expected to pay the full price for less.

It is almost inconceivable that members of parliament, especially those who have been elected to represent Canadians in rural ridings, would allow this to happen. Yet the plan has been approved by the government, without protest.

Canada Post is unlike any other Crown Corporation. Its purpose is to provide equitable mail service to all Canadians. Now, millions of those people are to be deprived of the proper service to which they are entitled simply because it

has been decided by the minister of finance, the Conservative government and the executive officers of Canada Post that it is too expensive to provide.

The CPAA which represents the employees in these rural areas, in conjunction with the CLC and the other postal unions, has been trying to alert members of parliament and the general public to the narrow sighted course of action being taken to achieve financial self-sufficiency. We have presented an alternate plan of action which, to date, has been ignored by the Prime Minister, the Cabinet and the minister responsible for Canada Post.

Our only hope now, is that the citizens of rural Canada, the mayors, reeves and municipal councils will realize what is happening to their postal service and add their voices to ours to stop this destruction.

Arthur Black

(from page 4)

ANYHOW?" daubed above the urinals. There was a much scuffed and sporadically sequined plywood stage in one corner, where, on Talent Night, local would-be Tammys and Porters got up clutching a hand-held mike and whined their way through hurtin' songs and Hee-Haw comedy routines. There were even genyoowine stetsons spraypainted in tasteful gold lame and nailed to the walls.

I loved that beverage room. Admittedly, my ardour increased with the amount of beverage consumed, but I loved it, wet and dry. That's why my newspaper article about it had to be perfect. I stayed up all night, polishing and honing my paeon of praise. I rewrote it 11 times and then handed it to the editor, wondering to myself if *The Guinness Book of Records* contained a category for Youngest Pulitzer Prize Winner.

The issue containing my article hit the streets at 10 a.m. on a Wednesday. By 10:10, the owner of the hotel had managed to read his copy, storm down to the newspaper office and threaten the editor with everything from withdrawal of advertising to some very ugly leg injuries. By 10:20 I had been fired from the paper, banned for life from the hotel and threatened with a very damaging libel action.

If *Guinness* had a category for that, I didn't wish to know about it.

Ah well, Chester Frowde would have

sympathized. He too, had a wrist wrestle with journalistic immortality and lost. Happened one night in 1946 when Chester looked up from the night desk of *The Ottawa Journal* to see a chubby little man in a shabby suit, bathed in sweat, waving at him. The man was agitated, obviously a foreigner and possibly drunk. Chester asked him what he wanted. The man kept repeating four words: "It's war. It's Russia."

Well, Chester Frowde was reasonable and patient, but night editors get all kinds of kooks and wierdos. After a few minutes of garble and gesticulation, Chester escorted the man to an elevator, suggesting he take his story to the Mounties.

Then Chester put Igor Gouzenko, the most famous Soviet defector in history, into the lift, pressed "LOBBY" and kissed the scoop of the century goodbye.

Chester will not have to endure the ribbings of his Press Club colleagues any longer. He's dead, at the age of 97.

Thing is, he died two weeks ago, and I, intrepid newshound that I am, missed the story entirely -- wouldn't have found out at all, perhaps, except that the headline caught my eye as I was firing up the woodstove with a piece of newspaper.

So here I am, writing Chester's 'obit' two weeks late.

Oh well. Chester would understand.

(Arthur Black is a nationally syndicated columnist who is also heard weekly on CBC Radio).

letters letters

(from page 4)

being made available to them.

If there is anything the council of Minden can do to find suitable quarters for this much needed program, I am sure the other members of the Fitness Centre as well as myself would be grateful.

I also feel that with the government's involvement in the "PARTICIPATION PROGRAM" this service by Patti and Sharon, who are both well qualified and dedicated, would be considered essential by all concerned.

Any assistance you may offer would be more than appreciated by all members of this program.

Thank you.

Georgetown, Ontario, High School is celebrating its 100th anniversary on July 3, 4 and 5, 1987.

All former staff and students are cordially invited to help celebrate the anniversary, to reminisce, and to enjoy the festivities planned.

Registration brochures are already in the mail. If you haven't received one, or if you need further information about the Reunion plans, please contact: Tom Beer, P.O. Box 1887, Georgetown, Ontario L7G 4T1 or phone (416) 887-6966 (day) (416) 887-4740 (evenings).

We hope to see you in Georgetown on July 3, 4 and 5, 1987!

J. Ruddell,
G.D.H.S. Reunion
Committee

What do you think?..... about rights for homosexuals

We are pleased to introduce a new columnist with this week's newspaper, Minden area resident Bill Kulas. Bill will be addressing issues of national, provincial and local interest in his weekly column "What do you think?" As the name suggests, readers are encouraged to report to Bill's commentaries via the letters to the editor column. The views expressed by Mr. Kulas do not necessarily represent those of this newspaper.

by Bill Kulas

Last week the Ontario government passed an amendment to the Human Rights Code enshrining homosexual rights.

Passed by a 64-45 vote of MPP's (supported by the majority of Liberals and all the NDP members), the basic amendment, according to the December 6 issue of the *Toronto Star*, makes it illegal to deny anyone access to employment, housing and services, such as restaurants, on the basis of sexual orientation.

I am sure no one would disagree with these basic rights.

Clearly, the controversy over discrimination against homosexuals is far from over. John Argue, a member of the Coalition for Gay rights in Ontario, plans to demand family OHIP coverage for himself and his same-sex mate. Other homosexuals plan to use their new protected status to challenge laws on everything from spousal tax benefits to club

memberships, pensions for surviving spouses and the right to adopt or foster children. While this may spell a bonanza for lawyers, it could mean a bureaucratic nightmare for those who voted in favour of the amendment.

Although gays do not believe they or the amendment will destroy the moral fabric of society, and I am sure they will not, a lawyer by the name of Howard Goldblatt stated to the *Star*. "The spirit of the new law clearly implies that persons of the same sex can be considered spouses." Wow! What a statement! Who presented this bill into the legislature and why are questions being asked by the majority of Ontario residents.

Homosexuals will have to live with the bitter aftertaste of last week's debate. Much of the talk opposing the amendment attacked their lifestyle, charging them with everything from the spreading of disease to destruction of the family.

It seems that very small, special interest groups are getting a lot of attention these days. They are well organized and well funded. The old saying of the squeaky wheel gets the grease applies even today. Could there come a time when our own rights will be threatened? Has the government taken on an issue more controversial than what they had bargained for? Think about it!

by Shawn Hagerman

At our annual meeting, the Honourable John Eakins announced the Destinations East Program, to aid tourism. This program is available only to those in the eastern portion of Ontario. It is comprised of seven different aspects.

The first aspect is a capital assistance program. The ministry will make interest free, principle payment free loans for up to five years, for renovations and expansion of recreation and tourism facilities. The funds will be for up to half the project cost or \$100,000. For expansions the ministry will provide loans up to half the project costs or \$150,000.

The second part is marketing assistance. This is to help tourist operators market their businesses. They can apply for assistance for up to half the additional marketing costs over \$1,500 up to \$50,000.

The third aspect is interest free loans to those operators with commercial tourist marinas to cover half the project costs up to \$100,000, again with interest and principle payments not having to be paid for five years. A percentage of the marinas docking facilities must be used for transient boaters.

The fourth aspect is major capital projects. It appears

here that the ministry will provide funds for major capital projects such as construction of canals, parks, waterfront enhancement and large scale attractions. Hotels, restaurants and on shore facilities will also be improved.

The fifth aspect is to help festivals and special events. The ministry will provide nonrepayable contributions to eligible non profit organizations and municipalities on a fifty fifty basis up to \$50,000.

The sixth area provides monies for feasibility and planning studies, to projects that would significantly increase tourism in eastern Ontario. The ministry will provide on a fifty fifty basis, non repayable contributions up to \$25,000.

Of special interest to the municipalities in our area is that they can apply for and obtain non repayable contributions up to 50% of the costs to \$40,000. The smaller municipalities that lack the resources for such tourism studies they can receive up to 75% of the cost to the maximum \$40,000.

The final part is investment sourcing. This program is aimed at the investment marketplace investment missions and prospectus and business plan development.

The eligible projects must improve tourism in eastern Ontario, create new jobs and increase tourism opportunities.

Funding will be in the form of non repayable contributions up to 75 per cent for municipalities and up to 50 per cent for private developers, or \$50,000, whichever is less.

This appears to be a major program that could affect significantly tourism in Haliburton County. For more information give our Chamber office a call, or speak directly with the Ministry of Tourism Representative, Mike Walker at his Peterborough office at ... 748-3711.

Sled dog derby

A reminder for those interested in volunteering their services for this year's Minden Sled Dog Derby, an organizational meeting will be held tomorrow evening, December 11 at the Minden firehall. A movie outlining the sport of sled dog racing will be shown along with details of the Minden event.

The meeting will begin at 7:30 p.m. For more information please call 286-1119.

Collision results in \$10,000 damage

Damage was estimated at more than \$10,000 when two vehicles collided on Highway 35 at the Beech River bridge north of Carnarvon. The mishap occurred December 3 at 9:25 a.m.

According to police, 24 year old Suzanne Groulx of R.R. 2, Minden, lost control of her vehicle in the slush and collided with a dump truck driven by James

Fairfield, 64 of Haliburton. Groulx was taken to hospital suffering from minor injuries. She has been charged with driving a vehicle without a drivers licence.

The investigating officer was Constable Jim Solway.

Found

The OPP are seeking the owner of a canoe found in the Dorset area during the

past week. The owner can claim the missing item at the Minden detachment office on Highway 35.

RIDE

The Reduce Impaired Driving Everywhere (RIDE) patrol was out again during the past week. They stopped 398 vehicles resulting in one charge of impaired driving and one 12 hour licence suspension.

Patrols

The police have also stepped up their snowmobile patrols with the return of wintry weather. During the past week, six charges under the Motorized Snow Vehicle Act were laid. The police also investigated 34 general occurrences including four thefts and 13 traffic accidents.

Fish licence fees at work already

The Ministry of Natural Resources is getting a head start on sport fisheries improvement projects this year using advance money based on the new Ontario resident fishing licence. The licence becomes mandatory for most Ontario fishermen on January 1, 1987.

The province has earmarked almost \$700,000 for advance projects such as rehabilitation of fish habitat and fish culture and stocking.

In Bracebridge, Minden and Bancroft districts, ten lakes were planted with a total of 9,000 catchable rainbow trout to supply put-and-take fisheries to provide

short term recreational benefits.

As well, Skeleton Lake hatchery is to build an improved visitor services centre to provide information to fishermen, school groups and other interested parties.

Minden district has prepared a new fishing map and brochure to assist anglers in finding the "hot spots" as well as provide a wealth of information on the behaviour of our most popular sports fish.

Bancroft district in conjunction with a local sportsman's group will upgrade access to McWhirter Lake.

These projects are some of more than 40 that are being financed in the 1986-87 fiscal year using funding based on sales of the new Ontario resident fishing licence. The licence becomes mandatory in 1987.

"Some of these projects are being undertaken immediately because they are seasonal in nature," Natural Resources Minister Vincent Kerrio said. "If we waited until the fishing licence was in effect, we'd

have to wait another year to begin work.

"Other projects have been high on our list of priorities for some time. Licence-based funding has enabled those projects to finally be realized."

The sale of the fishing licence could raise \$10 million a year. The province will provide funds based on these licence sales for sport fisheries management projects across the province. These funds are in addition

to the estimated \$30 million the province already spends each year on Ontario fisheries.

The fishing licence becomes mandatory on January 1, 1987. From that time, most Ontario residents aged 18-64 will need a

licence to fish.

The licence will cost \$10 for a year. A \$5 licence, good for four consecutive days, is also available.

Licences can be purchased from a network of more than 3,000 private issuers or from any MNR district office.

Dawson appointed to head hospital fund raising drive

The Board of Trustees of Saint Joseph's General Hospital has appointed Trustee Mrs. Barbara Dawson of Haliburton to head a committee to raise funds for the Haliburton Hospital Expansion. Other members of the committee will include Warden Harry Davis, Reeve Murray Fearrey, Mr. Ed Pettinger, Mr. Ken Morley and Mr. Ken Wilson. Some additional members will be appointed next month.

It is the committee's job to raise a total of \$240,000 from public subscriptions and service club donations, as part of the local community's share of the capital costs of the expansion. The total project will cost about \$1,375,000 and the province will be contributing two-thirds of that amount. The Haliburton County Council will put in 133,200 and a similar amount will be granted by the three local townships of Anson, Hindon and Minden, Stanhope and Dysart et al.

The project involves adding a large extension to the Haliburton Hospital to provide an additional 18 beds which will be used for continuing care. It has been approved by the ministry of health and the architects, NORR Partnership of Toronto, are now discussing some of the planning details with the property committee of the hospital and the hospital staff.

The fund raising committee has had its initial meeting and has planned a public meeting to officially launch a campaign for funds. The meeting is scheduled for Tuesday, January 20 and will be held at the Royal Canadian Legion in Haliburton. A similar meeting is being planned for Minden at a

later date.

Officially the campaign will run until September 30, 1987.

The committee chairman noted that there have been inquiries made about receiving donations in 1986 and she said that they were set up to receive donations as of now. Donations may be sent to Minden Hospital or to Haliburton Hospital. Cheques should be made payable to Haliburton Hospital Expansion Fund.

Township seeks second well

Anson, Hindon and Minden council is considering the acquisition of a second well for the municipality.

The water requirements of Anson, Hindon and Minden have doubled over the last 10 years - 33 million gallons were pumped this year - and it is expected the trend will continue, Gene Newell, chief operator for the municipality's water and sewer systems told last Tuesday's council meeting.

Council is thinking about the lease or purchase of a well in the village owned by Charles Brandon.

Newell told council it would be more economical to use a well that is already in existence rather than dig a new one. Only minor main-

tenance would have to be carried out on the Brandon well in order to make it useable, Newell said.

Newell said new filters would have to be bought to make the well suitable for the needs of the municipality.

HONDA SNOWTHROWERS

SIX GOOD REASONS TO WINTER IN CANADA.

This year there are five Honda models to choose from. From 3.5 to 8 horsepower. Some models have dual-track drive for extra-traction; others come equipped with wheels for tight maneuvering. All the larger models have 3 forward speeds plus reverse. One even comes with electric start. Honda's largest snowthrower will bite into drifts of up to a foot and a half deep and haul off up to 38 tons of snow in an hour. So this year get a Honda snowthrower and instead of spending winter moving snow find yourself moving over it.

Corbie Kent flips the puck past the Sunderland goalie Saturday afternoon as he scores one of his five goals during the OMHA Atom game. The Monarchs went on to defeat the visitors 10-2 in an easy victory.

Redmen still undefeated

In high school hockey action last Wednesday, the Haliburton Highlands Redmen trounced the team from Thomas A. Stewart Secondary School in Peterborough 7 - 0 in a game played in Haliburton.

The Redmen gained the lead 22 seconds into the first period when Ted Paish assisted by Mike McNaul scored the first goal of the game. Thomas A. Stewart put up a good fight and managed to hold off the Redmen for the rest of the period.

But their resistance deteriorated in the second period. Only two minutes after the clock had started Paul Kuno tipped another in for the Redmen, with the assistance of Tom McLeod. And again two minutes later Ted Paish got Haliburton's second goal of the second frame. Tran LaRue got the assist.

Halfway through the period Redman Jaro Cooper assisted by Paul Kuno put in the fourth Redmen goal of the game. It stayed 4 - 0 until the start of the third period.

Almost exactly two minutes into the final period Tran LaRue scored for the Redmen. He was assisted by Kent Taylor. Notching up the home team's healthy lead even further, Gord Wood assisted by Kent Taylor got a goal at 6 minutes and 2 seconds into the period. And at exactly 11:53 on the clock Haliburton's seventh and final point was chalked up by Ted Paish - his third of the game - assisted by Tom McLeod.

Unbeaten so far this season, the Redmen go on to play St. Peter's High School Wednesday, December 10 at the Minden arena. St. Peter's is also unbeaten.

Curlers near end of first schedule

Monday night ladies

The Minden Curling Club has completed five out of seven regularly scheduled games.

The Monday ladies league finds Catherine Kellett's team in first place with 45 points from 4 wins and 1 tie following Kellett's 4-4 sawoff with Cheryl Murdoch's team. In hot pursuit, after a 7-6 win over Gwen Cox, is the Diane Warnes foursome. They have four wins and a loss for 40 points.

Tuesday men's

Herb Roodenburg and Neil Burk find themselves locked in a tie for first in the very competitive Tuesday night men's league. Both share 4-0-1 records for 45 points following Burk's 9-7 win over Bob Colliver and Roodenburg's 11-4 victory over Frank Franzen. Close behind is the Bob Austin rink with 40 points as well as Gerry Churko and Dwight Thomas with 30 points.

Thursday mixed

The competition shows a very tight race for first place with Brian Cross and Neil Burk tied with 40 points. The Cross rink has a record

of 4 and 0 with a game in hand while Burk's record is 4 and 1. Cross gained a share of first by defeating Rob Robertson 11-4 while Burk kept pace by winning 9-4 over Paul Prentice.

Lil Gorveatt and Chris Coneybeare are in there with 3 wins and one tie for 35 points while Bob Austin and Bill Bonner are still alive with 30 points.

Friday mixed

Friday night mixed league has a four way battle between the Barry Marshall, Carl Northey, Elaine Blakey and Diane Warnes rinks. Barry Marshall stole into first place notching a 10-5 win over Carl Northey's rink. This gives Marshall a 3-1-1 record and a slim 5 point lead with 35 points. Closely following are the Northey, Warnes and Blakey rinks with 30 points.

There are only two weeks remaining in the first schedule with the second schedule starting January 5. Anyone interested in curling, who has not yet applied for membership, contact Sharon Kernohan not later than December 19 at 286-2129 after 5 p.m.

Zone winners

A team from the Minden Curling Club has advanced to the Regional Playoffs in the Ladies Curling Championships. The foursome, captured first place in "B" flight during three intensive days of curling earlier this month in Bobcaygeon.

The rink, skipped by Cheryl Murdoch, is a new 1986 team, having not curled together competitively in the past. Other members, include vice Lois

Titus, second Sally Bonner and lead Jacqueline Chillman.

During the playoffs in Bobcaygeon, they defeated Woodville and the host club by 10-7 and 13-7 scores. In the Tuesday draw, they met Omeme and lost a close 11-10 game. The Minden

foursome went on to defeat Lindsay 9-6 on Wednesday.

The Omeme was named "A" flight champions while Minden took "B" flight honours.

Both teams now advance to the regionals slated for Trenton this Saturday and Sunday. The two foursomes will compete equally with teams from throughout

Carrying the Minden Curling Club banner to Trenton this weekend will be, from the left, Jacqueline Chillman lead, Sally Bonner second, Lois Titus vice and Cheryl Murdoch, skip.

eastern Ontario. If successful at this level, they

will advance to the all-Ontario playdowns sched-

uled for January in St. Catharines.

LUCKY PUCK WINNER

valu-mart

PLAY **LUCKY PUCK** WIN CARS & CASH

Bill Kulas, manager of Easton's Valu-mart, Minden found himself doing double duty recently, as he presents two \$500 cheques to winners in the Lucky Puck Contest. The latest winners from the Minden store included Nelson Archer, left, of Minden and Roy Barsley, right, of Carnarvon. You too can be a winner. Drop by the Minden Valu-mart and get all the details. Bill Kulas is also pleased to announce the winner of the Tetley Tea Contest, Mrs. Lillian Roylance of Minden. She wins a "Tea for Two" maker from Phillips.

Excellent hockey Monday night

Monday night the Minden Men's Recreational League treated spectators to three good games.

Hartwick Construction and Vasey Real Estate, two crackerjack teams, squared off in the first match starting

Atoms defeat Sunderland

It was another hot week for the OMHA Minden Monarch Atoms as they defeated visitors from Sunderland by a 10-2 score. The game was played Saturday afternoon at the Minden arena.

Corbie Kent led the attack for the Monarchs with nine points on five goals and four assists. Other marksmen for Minden included Derek Janke with three goals, Dave Ackerblade with two goals and an assist while Chad Connelly, Jeremy Phillips and David Short were all credited with an assist.

Novices win

Minden Novice II's came up with their strongest show of the season beating Beaverton 13 - 0 on Saturday.

Scoring for Minden were Donald Todd 5 goals and 2 assists. Corey Casey 1 goal, 3 assists. Ben Ripley 1 goal, 2 assists. Ashley Walker 1 goal 2 assists. Wade Hartin 1 goal 1 assist. Shamus Donnery 1 goal, 1 assist. Chris Kerr, Philip Daniel, Nathan Stephenson, 1 goal each and Adam Carpenter 1 assist.

Gavin Gartshore got the shutout.

at 7 p.m. and ended up with a 4-4 tie.

Vasey's Andy Campbell got the first goal, assisted by Barry Walker. But Hartwick soon matched it with a goal by Cory Walker and then another by Trent Lloyd, the first to score in the second period.

At the beginning of the third period, the score was still 2-1 for Hartwick. Then Vasey player Larry Sawyer tipped another in, evening up the score again to 2-2.

Brian Shaw of Hartwick gave his team the lead part

way through the last period by getting the third goal, but again it was matched as Vasey's Dave Hartwick got his team's third goal. Larry Sawyer then gave Vasey its fourth goal.

And an anonymous Hartwick player once again evened up the match for the last time, putting the score at 4-4.

The next game between Hall's Insurance and Home Hardware, was a rout with Hall's winning 12-6.

Hall's started off by getting the first three goals of the game which were scored by Bernie Upton (2) and Joe Mitchell. Home

came back toward the end of the first period with Dean Hewitt scoring for his team.

In the second period, Hall's increased its lead with six goals by: Dave Brown (2), Bernie Upton (2), Ed Gibbons and Barry Ward.

Hall's started off the third period by scoring again (Ed Gibbons, his second of the game) but Home came back strong. Jeff Howe put in Home's second goal, followed by Dean Hewitt and Howe again for the team's third and fourth goals.

Hall's replied with another goal by Lawrence Loughheed bringing the score up to 11-4 for Hall's.

Home came back again before the end of the third

period with two more goals, by Dave Dollo and Dean Hewitt. And the game was wrapped up by Bernie Upton, who got Hall's 12th and final point.

Honourable mention is given to Terry Crowe of Hall's. Though he scored no goals, (unlike his miraculous performance in an earlier game) he did prevent numerous Home shots from getting past his net.

In the final match of the evening, Rockcliffe thrashed The Times 12-5.

Jim Keetch of Rockcliffe

got the first goal of the game for his team.

The Times came back twice with goals by Dave Rogers and Carl Northey. However, they were unable to hold off a seven goal streak by Rockcliffe that went on well into the second period. Scorers were: Jim Keetch, Doug Schell (2), Kevin Hamilton (2), Greg Carpenter and Merv Mintz.

The Times' Dave Rogers broke the Rockcliffe streak with a goal for his team at the end of the second period.

But Rockcliffe came back

again in the next period. Rockcliffe player Greg Carpenter tipped two more into the net for his team at the start of the third period.

The Times came back with three more goals by Daryl Ward, Carl Northey and Boomer Stamp, but Rockcliffe replied with another three goals by Merv Mintz, Ted Vasey and Kevin Hamilton. The game ended

THE TIMES Page 11 with a score of 12-5 for Rockcliffe.

The action continues this Monday as Vasey Real Estate plays The Times at 7 p.m., Hartwick Construction and Hall's Insurance square off at 8:30 p.m. and Rockcliffe Tavern meets Home Hardware at 10 p.m. There is no charge for admission to these games at the Minden arena.

ANOTHER STEP TOWARD ASSURED HOUSING FOR ONTARIO

What Ontario's new Rent Review System means to tenants and landlords.

The Ontario Government has passed the Residential Rent Regulation Act, creating a new system of rent review.

This legislation is based upon an agreement reached by a special committee of

tenants and landlords on how to improve the rent review system in Ontario.

The basis of the new legislation: *to increase protection for tenants and to encourage the construction of new rental housing.*

The major features of the Residential Rent Regulation Act are:

- The extension of rent review to cover all private rental units in Ontario.
- The creation of a streamlined rent review process, designed to be accessible, quicker and ensure consistency.
- The establishment of a flexible Rent Review Guideline, adjusted annually to reflect changes in inflation.
- The creation of an Ontario-wide *Rent Registry* to record the maximum legal rent for every rental unit in the province.
- A *Residential Rental Standards Board* to ensure the proper maintenance of all rental properties in Ontario.

In summary, the new Act provides full protection for tenants, while at the same time encouraging the construction of new rental housing.

Streamlined, simplified rent review process

The new rent review process is designed to be fast, friendly and efficient. Now, disputes over rent increases can be settled within a 90-day period.

Through a network of 21 local Rent Review Offices, tenants and landlords will have the opportunity to work together with a *Rent Review Administrator*.

This Administrator may arrange meetings between tenants and landlords, help them in obtaining and completing any necessary documents, and generally, be available to provide free assistance on any aspect of the rent review process.

As well, each Rent Review Office will be providing an on-going program of seminars and workshops. These will be designed specifically to educate tenants and landlords about all parts of Rent Review.

Extension of Rent Review

In the past, only those rental units built prior to 1976 were protected by rent review.

The new system:

- All private rental units in Ontario are protected by rent review whether they were built prior to 1976 or afterwards.

Rent Review Guideline

Under the previous system, a fixed guideline could not always reflect changing economic conditions.

The new system:

- A flexible Rent Review Guideline is adjusted annually and is based on the change in cost of maintaining a typical well-run rental building.
- The Guideline calculates the average change in costs over the preceding three-year period, protecting tenants from the effects of sudden jumps in inflation.

NOTE: The 4% Guideline is in effect retroactive from July 1st, 1985 to Dec. 31st, 1986. The Guideline for 1987 will be announced within 30 days.

The filing of an application for rent review at a local office will set in motion a simplified process.

The Rent Review Administrator, using clear and concise rules, will oversee the process from beginning to end.

A most significant streamlining aspect for both parties is that landlords will be allowed a fixed amount for operating costs. The result: the elimination of lengthy disputes between tenants and landlords over operating costs.

To ensure easy access to Administrators, all 21 Rent Review Offices in the province will be open at hours convenient to the public.

The Rent Registry

Under the previous system, it was not easy for a tenant to check whether the rent for their unit was legal.

The new system:

- A computerized Rent Registry will record the maximum legal rent which can be charged for every rental unit in the province. This information will be updated annually according to rent increases set by the new guideline.
- Landlords of buildings containing more than six rental units will file first, with landlords of small buildings filing later.
- Those landlords required to register first will file with the Registry the rent that was actually charged for every rental unit on July 1, 1985.
- Most landlords will only be required to register one time.
- Information from the Registry computers will be free of charge and available to everyone by toll-free telephone.

Rent Review Appeals. If a tenant or a landlord is dissatisfied with the decision reached by the Administrator, an appeal can be made to a new Rent Review Hearings Board.

No fees will be charged for appeals.

Maintenance Standards

In the past, rents could still go up even though building maintenance went down.

The new system:

- A Residential Rental Standards Board will establish fair standards to ensure proper maintenance of rental units throughout Ontario.
- Failure to meet these standards may result in either suspension or forfeiture of rent increases.

Full information available

The new Residential Rent Regulation Act makes major changes in the law affecting both tenants and landlords across the province.

The implementation of these measures will begin immediately and will be completed by February 2, 1987.

If you would like more detailed information, please complete and return this coupon.

YOUR HOMETOWN

A great place ... to live, to grow, to shop. With the Christmas season just around the corner, you are no doubt preparing your shopping list. This year, visit local shops and stores first. Local businesses are an important part of your community. They provide services year 'round, are there when you need them and have a wide selection of merchandise. Moreover, local businesses provide employment opportunities, contribute to the welfare of the community and take an active interest in the growth and future of your hometown.

Shop your hometown FIRST.

CONGRATULATIONS

The winner of our third HOMETOWN CHRISTMAS weekly draw is Angela Camelon of Minden. Angela wins \$50 cash and her ticket is still eligible for the \$300 grand prize. Angela filled in the winning ballot at Catherine's Yarns & Knits in the Valu-mart Mall in Minden. Jack Lee of Minden drew the winning entry. You too can be a winner. Fill out a ballot at any of the stores featured on these pages and be a part of our Hometown Christmas.

This Week On T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

TOWNSHIP OF STANHOPE

NOTICE

The Township of Stanhope has funds available under the Ontario Home Renewal Program, a program designed to assist homeowners in repairing their homes with particular emphasis on faulty structural and sanitary conditions, the upgrading of plumbing, heating and electrical systems and the provision of adequate insulation. Age of residence must be 10 years or older to be eligible.

Low interest loans to a maximum of \$7,500.00 are available to qualifying homeowners. If your adjusted family income is \$21,000.00 per year or less, you may qualify for the program. For further details, please contact the Stanhope Municipal Office at 489-2379 or 489-2342.

W. James Moore - Administrator
Ontario Home Renewal Program
Township of Stanhope

CORPORATION OF THE TOWNSHIPS OF
ANSON, HINDON AND MINDEN

TENDER CALL

Sealed tenders corresponding to the following programs, clearly marked as to contents, will be received by the undersigned until Friday, December 19, 1986, at 4:30 p.m.

1. Downtown Waste Container Service
2. Scotch Line Landfill Site Maintenance
3. Caretaking of Municipal Offices, Public Washrooms and Library Cultural Centre.

Tender forms and specifications for each job are available at the Municipal Offices during regular office hours. Lowest or any tender not necessarily accepted.

NOTIFICATION OF REVIEW COMPLETION OF THE CLASS ENVIRONMENTAL ASSESSMENTS FOR SHORELINE AND RIVERBANK IMPROVEMENT PROJECTS AND MODIFICATIONS TO HYDROELECTRIC FACILITIES

Two Class Environmental Assessments have been submitted by Ontario Hydro to seek approval for:

- a) shoreline and riverbank improvement projects
- b) modifications to hydroelectric facilities.

The Ministry of the Environment has now completed the Reviews of the Class Environmental Assessments prepared and submitted by Ontario Hydro.

The Minister of the Environment has given a Notice of Receipt of the Environmental Assessment and Completion of Environmental Assessment Review dated **January 27, 1987**.

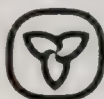

The projects which are subject to the planning procedures described in the Class Environmental Assessments could occur on any lakes and rivers in Ontario, which may be affected by existing hydroelectric generation facilities and at any existing hydroelectric generation facility in Ontario.

Copies of the Notice, the Class Environmental Assessments and the Reviews are available for

inspection at all Ministry of the Environment Regional Offices, the Environmental Assessment Branch of the Ministry of the Environment and at Ontario Hydro Regional Offices. Copies of the Review and Notice are also available at all Ministry of Northern Development and Mines area offices. Submissions to the Minister of the Environment concerning the shoreline and riverbank improvement projects or the modifications to hydroelectric facilities and requests for hearings must be received by the Minister by **January 27, 1987**.

Only those persons who submit written comments and/or requests for a hearing will have the opportunity to request a hearing at a later date should the Environmental Assessments for the two undertakings be accepted without hearings.

The Honourable Jim Bradley
Minister of the Environment
15th Floor, 135 St. Clair Avenue West
Toronto, Ontario M4V 1P5

Good showing for Lisa

On November 20, 21, 22 and 23 the Eastern Ontario Section of the Canadian Figure Skating Association held its Sectional Competition in Kingston, Ontario. This competition is held as the first step toward the Canadian Championships. The top four winners in the Novice, Junior and Senior categories advance to Divisionals and the top four in each category there advance to Canadians. However, there is also a Pre-Novice and Juvenile category which prepares skaters for the future.

This year, Lisa Carr, a 14 year old skater with the Minden Figure Skating Club, competed in the Pre-Novice category. This event has a preliminary round or sub-sectional competition where the skaters compete in freeskate only and must finish in the top three to make the sectional or final. Lisa won her flight in the subsectional which had eleven skaters in it with a total of 33 skaters in all and

advanced to the sectional. In the sectional, the skaters are required to compete in both figures and freeskate. Lisa placed fifth out of 12 in both the figures and freeskate competitions but with the accounting of points her combined total was sixth out of 12.

Lisa has been practicing many long hours for the competition, skating Mondays, Wednesdays, Fridays and Saturdays. She is coached in Minden by Jane Symons and travels to Lindsay on Saturdays to be coached by Ann Yeo. Competing at this level is very demanding of skaters as often they have to miss school and miss participating in other activities.

Congratulations to Lisa for doing so well. Next year she will have to move up to Novice but in order to compete will have to pass the Novice Competitive test. But if hard work is the bridge to cross to success, then we can watch for further reports on Lisa.

Lisa Carr of Minden placed sixth in the eastern Ontario Sectional Figure Skating competition.

Did you know?

by Doreen Hawman

Last year, in Ontario alone more than 25,000 children 5 years of age and under swallowed a household poison.

During exciting times, such as Christmas, you have to be aware that your child needs particular attention. As the family gears up for the holidays, they inadvertently leave potentially dangerous items in view of small children. Not every accident is preventable but strict caution should be taken with Christmas plants

and decorations. If you are giving your home a fresh coat of paint, make sure all tins are closed tightly.

We have just received a kit from the Ministry of Health called "How to poison-proof your home", which includes instructions and labels.

I urge all parents of small children, grandparents, and anyone who feels this very extensive publication can be of use to them, to drop into the Haliburton County Information Centre in the Municipal Building on Maple St., Haliburton, or call 457-2733.

Santa Claus may be a very busy gentleman at present, however he found time last Saturday to visit with youngsters at the annual Stanhope Fire Fighters Christmas Party. The Jolly Gent drew a broad grin from this young lady as she surveyed the large audience from his lap. Santa's helpers stand ready with presents to make his visit complete.

COUNTY OF HALIBURTON ROADS DEPARTMENT SNOW REMOVAL

The Highway Traffic Act RSO 1980, C198-S147, Revised 1982 states "No person shall park or stand a vehicle on a highway to interfere with the clearing of snow". A constable may have the vehicle removed from the roadway and stored at the owner's expense.

Section 157 states "No person shall deposit snow or ice on a roadway without permission in writing from the road authority responsible for maintenance of the road". The penalty on conviction is a fine of not more than \$50.00.

The co-operation of all motorists in these matters would be appreciated for efficient winter maintenance of County Roads and the safety of others.

Sgt. W. R. Bailey

Guild news

by Leo Dobrzensky

A recent survey conducted by Ontario Hydro disclosed that the County of Haliburton is the second-

fastest growing area in Ontario. For some time now, more and more retired Ontarians are moving to their cottage in the Highlands on a permanent basis,

Service provides daily contact

by Donna Bailey,
Executive Director

The Fone-a-Friend and Friendly Visiting program provides a daily contact with a friend on a regular basis, provides social contact with the community and provides companionship and encouragement.

This program is available throughout Haliburton County. Edith McArthur is the convener for the Minden-Carnarvon area; Doris Moore is the convener for the Haliburton area; and Pat Barnes is the new convener for the Wilberforce - Harcourt - Highland Grove - Tory Hill areas.

If you would like someone to contact you on a regular basis please phone our office at 457-2941 and we will contact the convener for

your area who will be pleased to find a new friend to communicate with you regularly either by phoning or visiting. All matters discussed by yourself and a volunteer will be kept confidential.

If you would like to volunteer some time to being a fone-a-friend or friendly visitor please contact our office and we will be pleased to give your name to the convener to link up a new friend(s).

As isolation continues to be one of the biggest problems in Haliburton County, this program is vital to one's feeling of security.

The Haliburton Home Support office is located in the Drag River Municipal Building opposite Emerson Lumber. Our phone number is 457-2941. We are open weekdays 9 - 4 p.m.

or selling their homes and purchasing buildings or building new ones in this area.

While everyone knows how beautiful this part of Canada is, many new residents are unaware that it also offers much in the way of leisure and cultural activities. For the benefit of new residents, I would like to repeat that the Guild of Fine Arts welcomes new members to all of its groups. Regardless of whether you are a beginner, accomplished artist or craftsman, the weavers, knitters, and spinners, potters, writers and rug hookers, choral society and life drawing group, are looking forward to meeting you and will make you feel welcome.

By becoming a guild member you will meet a great number of people and the friendliness and companionship which you will experience will make the transitory period of adjustment to a new community a quick and painless process. If you are interested in learning more about your chosen art or craft, the Northern Campus of Sir Sanford Fleming College offers many courses taught by professionals throughout the year.

If all of this does not appeal to you, you might still enjoy the Concert Series sponsored by the Guild, as well as the monthly exhibits

of art at the Rails' End Gallery. Lectures, travel-ogues and workshops are also offered to residents of this interesting, vibrant community by the Haliburton Highlands Guild of Fine Arts.

At this time of peace and good will, do not hesitate to come forward and identify yourself as a newcomer to the area. Whatever your interests or aspirations, the Guild has a place for you.

For information please call the Rails' End Gallery at 457-2330.

Winners at last Thursday's euchres at the Anglican Church Hall were lone hands Betty Harper and others Joyce Hewitt, Edna Trumbull, Don Sinclair and Jack Weekes.

We are sorry to report the death of Shawn Mason, former owner of Cosy Cabins, and this was November 6 at Belleville. Also to the family and friends of the late Stevie (Irma Jean) Waddell.

Pat Ackerblade of Red

Deer, Alberta, was very sorry she didn't get to see all her family and friends, but our bad weather conditions interfered with her short visit.

Weekend guests with Cliff and Jean Lacey were Jane Cruickshank and Joanne Oatman and Crystal and Josh, all of Shelburne.

Al good wishes to these people in hospitals, Mrs. E. Windover, Bill Moore, Edna Trumbull, Lorne Coburn, Bev Forbes and

Dave Stamp.

A speedy recovery is wished Angie Tousaw, 13 year old daughter of Rod and Jane Tousaw who is recuperating at home following stays in both Peterborough and Sick Kids Hospitals. During her convalescence, she has been painting a Christmas mural

on the windows of their home on Twelve Mile Lake Road West. It is worth stopping to view if you are driving north on Highway 35 just before Hart Lodge. Too bad the Tousaws live too far from Minden to be eligible for the Christmas decorating contest.

Club 35 card party winners for the week include - 50-50 Betty Campbell, most lone hands Greta Alsop, high lady Molly McCarthy, high man Bill

Cowen, and others Hal Burton, Ines Mestroni and Betty Campbell.

Guests with Mr. and Mrs. M. Sears during the weekend were Carol, Reg and Karen Leaman of Keswick and Sandra and Rick Moth, Logan and Daniel of Toronto.

The Minden Play School enjoyed movies at the Library Cultural Centre on Tuesday, December 9 and also Santa made a call on them.

There will be free coffee, turkeys and lots of cash prizes and a host of other prizes and surprises at the annual Rotary Christmas Bingo December 16 at Community Centre at 7:40. Come and share the fun and the cost is \$7 pack and also "Winner Take All" and night owl games.

At Minden United Church will be White Gift Sunday with pot luck at 6 and service at 7, and this is December 14th.

St. Paul's Anglican Church, Service of Lesson and Carols with their choir is December 14 at 7:30 and is also white gift giving.

Friday, December 19th from 7:15 - 8:00 St. Paul's Choir will lead community Choir Singing at the village green.

I wonder, I wonder if you're like me,
A list so long, I'll never get through.
But November came and I was sure
That Things were going so very well, too.
But now it's December and here I am
Still looking and looking for a thing or two.
Perhaps we expect too much these days,
Maybe it's time to change our greedy ways.
The old Christmas Spirit seems to have gone.

Jay

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and

diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: Tell me now, what is it that is over your head, and under your hat?

A: Your hair.

Q: The answer to this is slightly absurd, but why is a horse much like a bird?

A: Haven't you ever seen a horse fly?

Q: Some days are rainy,

some days are fair. Friday comes before Thursday - but where?

A: In a dictionary.

Q: Explosions all over the nation bring this question to mind. Where was the Declaration of Independence signed?

A: At the bottom.

Your CANADA PENSION PLAN is changing for the better. *As of January 1, 1987.*

On January 1, 1987, your Canada Pension Plan will change. These changes put your Plan on a solid, long-term financial foundation.

It's important to know what benefits are available because your Plan provides you and/or your family with a basic level of earnings protection when you retire, become disabled, or die. You will, however, have to apply for the benefits when you believe you are eligible.

The information that follows highlights the major improvements. It's good news!

Financing a better tomorrow

New financing arrangements will make and keep your Plan more secure than ever.

Right now you and your employer each contribute 1.8% of your earnings up to a maximum amount. Each year until 1991, the contribution rate will rise by 0.2% and from there until 2011 by 0.15%. If you make the maximum contribution, you will pay about \$26 more in 1987.

A wider choice of retirement options

After January 1st, you can begin receiving your CPP pension as early as age 60. You could qualify even if you are not fully retired.

If you begin your pension before age 65, your benefits will be less because you will have contributed less and will get the benefits for a longer period of time.

Or, if you choose not to start your pension until after age 65, (up to age 70), your monthly benefits will be greater.

Your pension would normally be payable the month after your 65th birthday. For each month between that date and when your pension begins, your benefit will be adjusted by 0.5%. This adjustment will apply for as long as you receive the benefit.

I'd like to know more about my new Canada Pension Plan. Please send me the 'good news' in English ☐ in French ☐ about

- ☐ Retirement Pension
- ☐ Disability Pension
- ☐ Death & Survivor Benefits
- ☐ Pension Credit Splitting
- ☐ Flexible Retirement
- ☐ Financing your CPP

Increased disability benefits

If you qualify for disability benefits, your monthly payment will now be significantly increased. For example, the maximum disability pension in 1987 will increase from \$487 to more than \$635 per month.

As well, anyone entering or returning to the work force will have disability coverage after contributing in 2 of the last 3 years, in which contributions could have been made.

Survivor benefits continue on remarriage

If you receive survivor benefits, they will now continue even if you remarry.

If you remarried and had your survivor benefit discontinued, you can have your benefit reinstated.

Splitting pension credits

If your marriage ends in divorce, each spouse will be entitled to one half the "pension credits" you earned together. After January 1, 1987, the credits can also be divided if your marriage or common-law relationship ends in separation.

Sharing your pension

When you and your spouse receive your CPP retirement pensions, the benefits you've both earned during your life together can be shared if either of you makes this request.

Additional benefits for dependent children

In the past, dependent children were limited to one flat-rate benefit, even if both parents had paid into the Plan and died or became disabled.

Should the same happen now, your children would be entitled to double benefits.

Improved 'Combined' benefits

If you are entitled to a combination of survivor and disability benefits, the maximum monthly amount you could receive will now be greater.

As for combined survivor and retirement benefits, these will now be more generously awarded to those who qualify.

Building on a solid foundation

Being financially prepared for the future is a responsibility we all share. Your new Canada Pension Plan now gives you a stronger foundation. It's a sound base, and it's up to you to build on this foundation.

It's never too soon, or too late, to begin building for your future. We hope you'll start today.

You may need further information to better understand these changes. For booklets about your Canada Pension Plan, call the toll-free number below or fill out the coupon and mail it to:

Branch 129 news

by Gerald Irish

At the general meeting on Thursday, December 4, the branch had a very welcome visitor. Deputy Zone Commander, Comrade Stan Moore, from Lindsay, attended the meeting and enjoyed a social few hours with the members.

Six new members were initiated to Branch 129. Welcomes go to John Down, Joanne Henderson, Elizabeth Exon, Ross Anderson Jr., Larry Hewitt and John Edmond. One of the initiations was most unusual. President Joan had the distinct honour of initiating her mother, Elizabeth "Betty" Exon as an Associate member of Branch 129. I have often heard of a parent swearing in a son or daughter but this is the first time I have heard of a daughter initiating a parent into Legion. It was a very proud moment for both

Joan and Betty.

At the same meeting, your branch agreed to donate up to \$1600 to the 4C's in Haliburton and assistance groups in Minden to help provide Christmas baskets for needy families in our county.

Congratulations to Dottie Muirhead on winning the Legion Bingo Jackpot last week. The annual Legion turkey Bingo will be held on Wednesday, December 17.

Saturday, December 13 promises to be a very busy day. The Christmas turkey roll will start at 2 p.m. The draw for the George Cox original oil painting will take place at 4 p.m. and there will be a wine and cheese party for all members and guests from 7 p.m. to 8 p.m. followed by entertainment and dancing.

The annual Legion/Rotary Christmas tree will be held on December 20 on the main street of the village. Your branch is again providing the candies and other goodies for the children who visit with Santa on that day. Please watch the events board in the club room for the date and time when bagging the goodies will be done. Volunteers are needed for this.

Youth Education Officer, Comrade Al Cooper reported that the judging of posters, poems and essays about Remembrance Day has been done. Some of the entries were outstanding. Al and the judges were very impressed with the work being produced by the young people.

Philip Arthur Robinson

Phillip Arthur Robinson passed into rest on November 18th, 1986 in his 78th year. He was born on July 30th, 1909 in Snowdon township near Gelert. He was raised on a farm and was a lover of the land.

In 1946 he married Florence Rogers. Their daughter Janice was born a year later. Their son Bradley was born in 1953. Janice lives near Lochlin and Bradley lives in Toronto.

The funeral service which was very touching was held in Minden United Church on November 21st. Rev. John Spenceley was the minister. The pall bearers were Harry Earle, John Hulbig, Steven Negus, Gary Hamilton, Verne Gartshore, Tim Negus and Paul Cockburn.

Phil will be long remembered and badly missed by his loving wife, his two children, and two grandchildren Douglas and Karen Shaw.

Remembrance Day poster winners from grades 4, 5 and 6 - Kevin Fairey - Archie Stouffer Elementary School, Margaret Teljeur - J. Douglas Hodgson Elementary School and Floyd McCormick - J. Douglas Hodgson Elementary School; from grades 7, 8, 9, 10, all winners are from J. Douglas Hodgson Elementary School in Haliburton - Corey Davis, Danielle La Rue and Robin Lee.

Poem and Essay winners are also from J. Douglas Hodgson Elementary School - Laura Jackson,

Heather Hutchings and Brian Godfrey. Winner at the High School level is Kim Eade.

A reminder to all executive members that the December meeting will be on the 18th.

The next general meeting will be on January 8.

Our November Poppy campaign was a great success with over \$5100 being collected.

We hope that all our members and friends on the sick list get well soon.

HELP WANTED

Townships of Anson, Hindon and Minden requires
Chief Building
Official/Municipal
Law Enforcement
Officer/Licensing
Officer

The Job: He or she will be responsible for the overall administration of the Building Department, administration and enforcement of by-laws, codes and regulations; act as Chief Building Official as defined in the Ontario Building Code; act as secretary to the Committee of Adjustments for minor variances; administration and enforcement of municipal licensing; administration of O.H.R.P. and R.R.A.P. programs; departmental budgeting.

The Person: The applicant should possess a general knowledge of construction, good verbal and written communication skills and the aptitude to interpret and administer various by-laws, codes and regulations (Building Code, Property Standards By-law, Zoning By-law, Planning Act). Preference will be given to persons having previous municipal experience and proven ability to deal with the public. The successful applicant will be required to obtain various academic certificates in order to fulfill this position.

Remuneration: Salary will be commensurate with qualifications and experience. Attractive fringe benefit package. Municipal vehicle supplied for official purposes.

Qualified applicants are invited to submit a confidential resume of education, employment and other relevant particulars to the undersigned by December 19, 1986.

(Ms.) B.A. Millar, AMCT
Clerk-Treasurer
